

## First Time with YouTube

**Google Apps for Education** is available for UT faculty and staff, which includes a **YouTube** account. For more details on Google Apps, visit: <https://oit.utk.edu/google/>

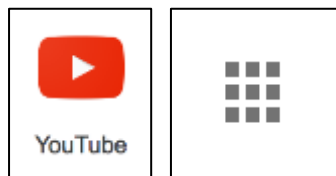

**Please feel free to print these instructions, if needed.**

### Log in

1. Navigate to the Google website: <https://www.google.com/>
2. Select the blue **“Sign in”** button, which is on the top right and log in using your UTK **NetID@vols.utk.edu** and **password**.

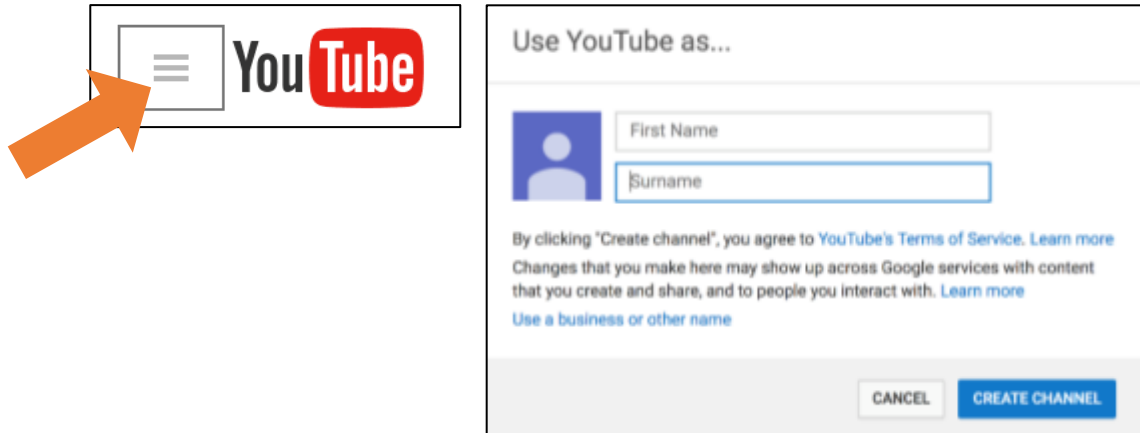

3. Go to your Apps by selecting the square which is on the top right. Select the YouTube icon. (You may need to select the **“More”** link to see it.)

4. If you have not already created a YouTube Channel, you will need to **create one now**.

## Create your first Channel

Select **“My Channel”** under the Guide menu on the left. You can accept the default names or type in other names. Select **“Create Channel.”**

This is your first YouTube channel. You can add graphics and a channel description if you prefer.

## Sign Out

Select your account in the top right of the screen. Then select the **“Sign out”** button.
